

Addendum 2 to the Previously published Lists : Alphabetical Listing for those boys leaving Haygrove School 1975 and all assumed to have started at DMS in 1970: added Mar 09.

(If anyone knows otherwise, please contact the newsletter Editor.)

Contact details for all others of this year were obtained by Martin Travers and his friends for a reunion on 23rd Sept. 1995, and we hope he still has those details!

Note that teachers have been omitted as it is assumed that many of these changed when the school became Haygrove School.

The complete list was sent by e-mail from Jane Halstead in Australia in 2007 to the Editor (and Jane says she received the list too late to attend!)
